

**Rate LG003 - Large Power**  
Effective date – May 1, 2007

**Applicability**

This rate is required for all three-phase accounts that require 1000 KVA transformer capacity or greater. Members on this rate shall take both electric distribution and energy services from EnerStar.

**Type of Service**

Three-phase at available voltage.

**Monthly rate**

Facility Charge:		\$700.00
Energy and Delivery charge:	All kwh	8.75 cents per kwh

**Power cost adjustment (PCA)**

The PCA will be added to or subtracted from the unit cost for Kwh's consumed. The Cooperative will adjust the PCA amount at intervals as required to cover fluctuations in the total cost of power.

**Minimum Monthly Charge**

The minimum monthly charge for the above rate shall be \$700.00 for members requiring 1000 KVA of transformer capacity. For members requiring more than 1000 KVA of transformer capacity, the minimum monthly charge shall be equal to the transformer KVA rating. Notwithstanding any provisions of this rate schedule with respect to minimum charges, the Cooperative may adjust the minimum charge to assure adequate compensation for its investment in distribution facilities.

**Taxes**

In addition to the charges stated above there will be an Illinois Utility Revenue Tax collected which will be the least amount of the following: \$.0032 times the amount of kwh's used or 5% of the total energy charge.

**Terms of Payment**

The above charges are net, the gross charges being five percent higher. Gross charges shall apply after net due date. In the event gross charges are not paid by cut-off date assigned each month, service is subject to disconnection without further notice.
