

## Rate 10 — Unmetered Outdoor Lighting

Effective date – May 1, 2007

### Applicability

Available to all members of the Cooperative.

### Type of Service

Outdoor lighting

### Monthly Rate

<u>Lamp Type:</u>	<u>Facility Charge:</u>
100 Watt High Pressure Sodium	\$ 10.00
400 Watt Directional HPS	\$ 19.00
100 Watt Decorative Lighting	\$ 21.00
If transformer installation is required <i>(Plus installation costs)</i>	\$ 10.50

The above charges are applicable only where existing secondary service is available and existing pole is used to mount lamp on. Any costs of extensions or modifications to the existing service will be determined by the Cooperative and shall be paid by member prior to service connection. The Cooperative shall be provided with the member's desired lighting location. The Cooperative shall provide maintenance of the outdoor lighting.

### Terms of Payment

The above charges are net, the gross charges being five percent higher. Gross charges shall apply after net due date. In the event gross charges are not paid by cut-off date assigned each month, service is subject to disconnection without further notice.
