

**Rate SC002 – Small Commercial**  
Effective date – April 26, 2016

**Applicability**

This rate is required for all three-phase accounts that require less than 1000 KVA transformer capacity. Single Phase commercial accounts may also select this rate if their aggregated transformer KVA is above 110 KVA. Members on this rate shall take both electric distribution and energy services from EnerStar.

**Type of Service**

Three-phase or Single-phase at available voltages.

**Monthly rate**

Facility Charge:	\$116.00
Energy and Delivery Charge:	.1030 all kwh consumed

**Power Cost Adjustment (PCA)**

The PCA will be added to or subtracted from the unit cost for kwh's consumed. The Cooperative will adjust the PCA amount at intervals as required to cover fluctuations in the wholesale cost of power.

**Distribution Cost Adjustment (DCA)**

The DCA will be added to or subtracted from the unit cost for kwh's consumed. The Cooperative will adjust the DCA to make minor corrections in the rates to achieve financial goals without the analysis required for a full rate change.

**Minimum Monthly Charge**

The minimum monthly charge for the above rate shall be \$116.00 for members requiring 100 KVA or less transformer capacity. For members requiring more than 100 KVA of transformer capacity, the minimum monthly charge shall be equal to the transformer KVA rating. Notwithstanding any provisions of this rate schedule with respect to minimum charges, the Cooperative may adjust the minimum charge to assure adequate compensation for its investment in distribution facilities.

**Taxes**

In addition to the charges stated above there will be an Illinois Utility Revenue Tax collected which will be the least amount of the following: \$.0032 times the amount of kwh's used or 5% of the total energy charge.

**Terms of Payment**

The above charges are net, the gross charges being five percent higher. Gross charges shall apply after net due date. In the event gross charges are not paid by cut-off date assigned each month, service is subject to disconnection without further notice.
